

PREMIER'S AWARD FOR
AGRI-FOOD INNOVATION EXCELLENCE

Become a member of an award-winning CSA!!

Garden Party has been recognized with the Premier's Award for Agri-Food Innovation Excellence in Ontario for our innovative year-round CSA program. At **Garden Party** the choices are all yours! You can choose winter, spring, summer or fall food shares. Your share changes with the season - so you are always getting the freshest local and organic produce possible. Plus, you get to choose your own produce - so no more vegetables you don't like rotting in the fridge.

The 100 YEAR diet!

Buying local is good of course. But buying local AND organic is better. We need to move beyond the 100 mile diet toward a 100 year diet by supporting farmers who are following verified sustainable practices. All of our produce is organic - certified by Pro-Cert. They inspect our farm annually to verify that we are fully in compliance with Canada's new national organic standard.

Summer Session is Registering NOW

Pick up at the farm - just 10 minutes from KW
Wednesdays 4:00 – 7:00 pm
12 weeks - June 6 – August 22

(after which you receive a discount to continue in our fall program)

What's a CSA? - Community Supported Agriculture (CSA) is a partnership between you and a local farmer. Members pay one inclusive fee up front, and then are entitled to a share of the harvest for a given number of weeks. Farmers benefit because they know exactly how much to grow and their crop is pre-sold and members benefit because they receive fresh, **local and organic** produce that can be hard to find in supermarkets and farmers markets.

Whats in a "share"?

Members love our summer shares because they are so simple and flexible. You simply choose 12 – 14 items each week. It's like visiting your own private farmer's market - but without the crowd!!

You can expect a wide variety of vegetables including...

Root veggies like: potatoes, carrots, beets, turnips

Cooking Greens like: kale, collards, bok choy, cabbages, swiss chard,

Salad Greens like: mescun mix, arugula, lettuces

Onion Family items like: green, Spanish and red onions, leeks, heritage garlic, shallots

Plus..... asparagus, tomatoes, eggplant, hot & sweet peppers, cucumbers, zucchini.....

AND fruit choices like: rhubarb, strawberries, blueberries, raspberries, cantaloupe, watermelon

All members are also welcome to pick their own flowers and herbs from our extensive cutting gardens!!!

Full Share: 12–14 choices - \$360
(\$350 for returning members)

Half Share: 6–7 choices - \$210
(\$200 for returning members)

Buying Club Membership is Included!!!!

CSA Members are also automatically members in our Organic Buying Club. You can order additional local and organic items such as: fresh steaks, pork and chicken, eggs, milk, dry goods and a wide range of fruits and vegetables for preserving.

ALL local and organic!!

Join our canning club!
